

Dear Parents,

November 2017

Thank you to all of the parents who helped with Fall Festival, the Scholastic Book Fair, and the Peter Piper Pizza Fundraisers! We are lucky to have parents like you who want to be part of the Berean Academy community.

We are now in November! Where has the school year gone?? Remember that this month will have one week off for Thanksgiving (November 20-24). As we start to prepare for the holidays, let us remember that the second quarter will hit the midpoint during the month of November. Progress reports will be going out November 15th. Please make sure that you mark that on your calendar so that you are aware of your child's grades at that time. We still have tutoring before and after school, as well as Friday school available to assist all students who need help.

We begin the month thinking of those who need our assistance in other ways. This is a month where we must show that we are thankful for what we have. We are thankful for all of the food that we have to eat. We must show that we are thankful by helping those who need our help. During the month of November we will have our annual canned food drive. Please bring any canned food donation to your child's classroom. We want to donate as many as we can. All canned food will help those in need.

The class who brings in the most canned food will win a pizza party!!

PIZZA 
PARTY 

November 8th was our Veteran's Day Assembly. The Fort Huachuca Band helped us celebrate and thank our veterans for their service. We honored our staff members who are veterans. We are thankful for the many men and women who serve our country, provide us with the freedom that we have, and help us to remain in a safe country. Thank you for a job well done!

We would like to let you know that students in 3rd through 6th grade who are in need of reading assistance will be part of a reading program provided by NWEA. We have been selected to be part of a pilot program to help students who need help with reading. We are excited to bring this program to those students who need more help in reading. We are looking for a program that will do the same for math for next semester.

We have started our new clubs for this quarter. We have some new ones! Please check the website and the calendar for more information. There are some clubs being held during the week, as well as some on Friday. There will not be any clubs from January to March. During that time, we will focus intensely on academics. Clubs will resume in late March-May.

We wish all you a great *Thanksgiving* from all of the staff at Berean Academy!

Blessings,

Mrs. Bev Enriquez, Principal
