

Dear Parents,

February 1st 2018

We had an awesome January! We have had so many new enrollments and our students are doing so well on Galileo testing! January was a productive month and a lot of learning was taking place. We also had our very first Winter Ball for middle and high school students. It was very successful with a lot of students coming in and having a great time! February has a lot of great things in store too!

On February 1, we have Cowboy Poetry coming in! This is always a great treat for our students in K-6. This year the folks from Cowboy Poetry donated \$100 for school supplies. We want to thank them for coming in to our school, doing their wonderful presentation, and promoting history, literacy and music. THANK YOU!

We are going to have our Honor Society Induction Ceremony on February 15 (the time will be announced). This is the first time that we have this too! Juniors and seniors who have been selected based on academics, leadership, and character will be honored. We hope you can join us for this.

The high school and middle school students continue to do well on the Cyber Patriots Computer challenges! They are so awesome! The students in Home Economics are working on a Cooking Challenge. We were fortunate enough to taste their cooking yesterday! Yummy!

We will be having an elementary dance on February 14. We will let you know more about this as it approaches. The high school students will be selling Valentine's Grams for \$1. If you would like to purchase one for your child, please see Lisa in the front office.

We will be taking Spring pictures on February 21, which also happens to be the 100th day of school! February 26th through March 1st is Dr. Seuss Spirit Week. **Green Eggs and Ham** breakfast will be Wednesday February 28th. We like to have Spirit Weeks because they allow our scholars the freedom to wear other things besides their usual uniform.

We continue tutoring after school and Flex Friday. We are doing everything we can to prepare our students for AZ Merit. We will be having an AZ Merit night in March to let you know more about it. It is important that you are well aware of the dates of AZ Merit so that you **do not schedule appointments that week** if at all possible.

We would like to give you some homework for Valentine's Day! Spend some quality time with your child! Take him/her on a "date" to the park or to dinner. Spending quality time with your child is something that they will always remember. Your child means the world to us, and we want to make sure that you know that too.

Blessings,

Mrs. Bev Enriquez, Principal
