

Thank you!

It was with great gratitude that coach Ben Lewis accepted this generous gift of \$2,000 from the Elks.

The gift was in response to our request for help in building a Weight Room for our sports program.

This gift is indicative of the Elks continuing support of our community.

*We have a budget of \$5,000 for materials.
As of November 1st we have received \$4,200
and will begin construct!*
