Dear Berean Parents,

Good parents are always interested in hearing about great school choices. They want their children to be safe, cared for and receiving the best possible education.

Obviously you have found reason to believe your children are being well taken care of at Berean Academy.

Please write a short testimony telling us what you appreciate about Berean Academy. We can then publish your endorsement to encourage others to consider Berean.

Additionally, if you bring a new student to enroll at Berean Academy and they finish the school year with us, we will give you some 2020 vacation money: Two hundred and fifty dollars to be exact.

What to do:

- 1) Fill out a form (*one form for each new scholar enrolling.*)
(*Scholars must be enrolled in August and stay until the last day of classes.*)
- 2) Give Lisa the testimonial note and the enrollment form(s).
- 3) After the last day of school, you will receive \$250 for each new scholar you brought to enroll at Berean Academy who finished the school year at Berean.

Thank you,

Jim Fogarty, Director
